

State Employees Art Exhibition Application

The Rhode Island State Council on the Arts (RISCA) announces a Call for Artists who are interested in exhibiting their artwork at the State Employees Art Exhibition at the Atrium Gallery at One Capitol Hill. This call is open to all artists who are current or retired Rhode Island State Employees. There is no entry fee to apply.

You must :

- Complete this form along with 3 images of your work, titled **State Employees Art Exhibition Application**, email it to Elena Calderón Patiño, Director of the Arts & Cultural Sustainability Program, Elena.Patino@arts.ri.gov

About the State Employees Art Exhibition

The State Employees Art Exhibition is one of the year's most popular shows in the state gallery, since it showcases the often-hidden artistic talents of state workers. Each year a different group of talented artists emerge, from agency directors to clerk-typists.

About the Atrium Gallery @ One Capitol Hill

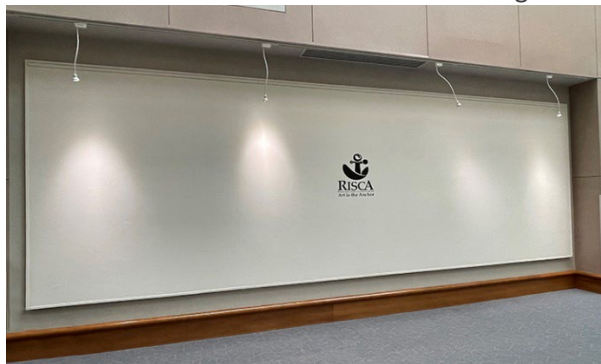

RISCA developed the Atrium Gallery to recognize talented artists from communities throughout the state. The Atrium Gallery hosts multidisciplinary exhibitions in partnership with diverse artists and cultural organizations.

The gallery has become a destination point for visitors and the many people who frequent the Administration offices at One Capitol Hill, while enriching the environment for hundreds of state workers in the building. The approximately 2,000 square foot gallery features an impressive 40-foot-tall glass ceiling, with light that cascades into an open space, surrounded by three walls of artwork, centered in the State Capitol Complex. Each display wall measures approximately 8 feet tall, with a length that spans from 22 to 24 1/2" feet, in an open space that is suitable for mid-size to large-scale works. Depending on the size of the artwork the gallery can accommodate 40 to 60 pieces. Additionally, black 6 pedestals with clear plexiglass lids are available for smaller pieces.

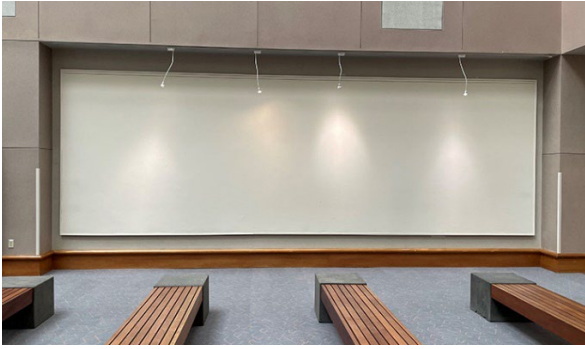

The gallery features three walls that form a U shape that is suitable for mid-size to large-scale works.

Measurements are the following:

1. **Left Wall** (w/ the RISCA logo in the center) - measures 24 ½ ft. long by 8 ft. tall.
There is 11 ft. on each side of the RISCA logo. Nothing can be displayed over the RISCA logo.

2. **Center Wall** - measures 24 ft. long by 8 ft. tall.

3. **Right Wall** - measures 22 ft. long by 8 ft. tall.

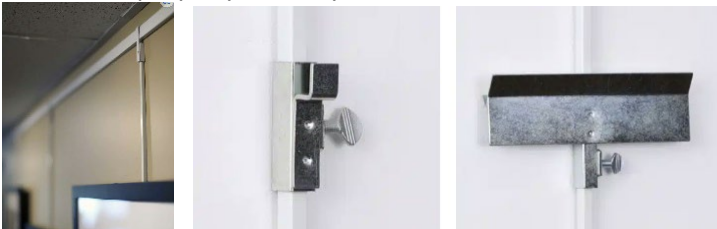

Black Pedestals are available to display smaller pieces. Measurements are the following:

- 6 pedestals with plexiglass cases. The interior dimensions are 10 ¼" width, 10 ¼" length, 16 ½" height.
- 1 large pedestal (open- no plexiglass case). Interior dimension 23" by 23".

How to bring artwork in (wired, etc.)

- Artwork must be ready to hang and suitably framed, wired, or otherwise prepared for display, at the artist's own expense.
- The Atrium Gallery displays artwork using the Walker Display System (images for your reference), so all items need to be properly securely wired.

- Therefore, artwork cannot be too heavy. If is substantial provide the approximate weight prior to installation.
- Prints, paintings, photographs, etc. should arrive framed with glass.
- Oil or acrylic paintings in wood frames are also acceptable- however they must arrive properly wired and ready to install.

Proposal Application Guidelines

[Send completed form to Elena.Patino@arts.ri.gov](mailto:Elena.Patino@arts.ri.gov)

Eligibility: All participating artists must be current or retired Rhode Island State Employees and R.I. residents. No students.

Selection: Artists will be notified if selected for exhibitions.
