

Grant Evaluation Criteria & Scoring Project Grant for Organizations (PGO)

Review of the application materials must focus on the following criteria:

Logistics.

- The application clearly states what will be done by whom, when and where things will take place, and how this project will happen both logistically and financially.
- The applicant indicates relevant metrics to measure their progress.

Artistic Vibrancy and Impact.

- Art is central to this project.
- The artist/artists will provide a positive and purposeful experience for the participants.
- This project provides access or engages underserved communities as identified by the NEA. Refer to the intended participants/audiences the applicant identified under "Logistics."

Community Engagement.

- This project actively engages participants in making, experiencing, or learning about art.

For each application, assign a rating from the list of the following statements:

- 5: This application is excellent. I strongly recommend that this application advances in the selection process.
- 4: This application is good. I recommend that this application advances in the selection process.
- 3: This application is okay. I am unsure if this application should receive funding.
- 2: This application needs improvement. I recommend that this application does not receive funding.
- 1: I strongly recommend that this application does not receive funding.
- No rating- conflict of interest.
